Welcome to the Greenfield-Central Community School Corporation. Our Corporation's classified personnel team is comprised of: health service personnel, clerical personnel, secretaries, bookkeepers, treasurers, maintenance coordination, custodial personnel, instructional assistants, library assistants, technology resource assistants, building substitute teachers, a substitute teacher coordinator, courier personnel, assistant athletic director, food service personnel, bus drivers and other support personnel dedicated to the service and support of educating children.

As an employee of Greenfield-Central Community School Corporation (G-CCSC) you become a part of the educational process. In your duties you will have opportunity to influence students with whom you come in contact, so you must conduct yourself in a manner expected of someone with the responsibility of educating children. As a part of our team, you will be relied upon to maintain the health and safety of our children, preserve the property of the community, cooperate with the other members of the team and be a public relations representative to all that visit our buildings.

To be successful, each employee must have an understanding of his or her assignments and responsibilities, follow instructions, develop and practice good work habits, be courteous at all times, strive for neatness and accuracy in all work, accept assignments as a challenge and be conscientious and industrious so that you can be a part of the effort in educating our children.

This handbook has been prepared to introduce you to the G-CCSC. It will acquaint you with the personnel guidelines, which apply to employees at G-CCSC.

It is presented as a matter of information only and its contents should not be interpreted as a contract between G-CCSC and any of its employees.

A copy of this handbook can be found on our corporation's website and a hardcopy can be found in each school building's main office. One of your responsibilities is to be familiar with its contents. This handbook is only a summary of our personnel guidelines. Employees may qualify for some or all of the benefits allowed in this packet shown in the Benefits Addendum. Please review it with your supervisor or contact the Central Office if you have any questions.

## **Employee Responsibility**

It is the responsibility of each employee to become familiar with all rules and regulations set forth by G-CCSC and to follow them. Each employee must provide his/her immediate supervisor with a telephone number where he/she can be reached at all times. Unlisted numbers will not be published. Please report change of name, address and phone number to the Central Office.

## **II. PERSONNEL GUIDELINES**

### **Changes in Policy**

The G-CCSC is constantly changing; therefore, the Board of School Trustees expressly reserves the right to change any of our policies at any time, including those guidelines addressed in this handbook. We will notify you of these changes by posting them on the Corporation Website or by other appropriate means. Changes will be effective on dates determined by the Board of School Trustees and you may rely on policies that have been superseded. No supervisor or administrator other than the Superintendent of G-CCSC has any authority to alter them.

If you are uncertain about any policy or guidelines, please check with your supervisor or Central Office.

### Workers' Compensation Insurance and Report of Injury

Workers' Compensation Insurance covers all employees of the Corporation.

If an employee is injured while on the job, he/she shall immediately notify the supervisor/principal/designated person of that school/building where the injury/illness has occurred. If the injury occurred on a school bus, the bus driver shall notify the Transportation Director and/or the person designated by the Director. The form **First Report of Injury/Illness** must be completed and sent to G-CCSC Administration Office (*within 24 hours of injury/illness*).

If medical treatment is necessary the employee shall go to Hancock Regional Hospital's Occupational Health Services or to Prime Time Care or Emergency Department for treatment and/or evaluation of injury/illness. (See above Employee Procedure for Job-Related Injury.) An **Authorization for Treatment** form must be sent with the employee or the supervisor must

call the treating facility to authorize treatment. If it is “after hours” and the supervisor cannot be reached, the employee *should not delay seeking treatment*; authorization can occur the next day. If the employee wishes to consult a physician of his/her choice *after the initial evaluation of injury/illness*, he/she must contact the Indiana Insurance Claim Adjuster for prior approval; otherwise, the employee risks incurring liability for the additional medical expenses. For questions our insurance carrier Pence, Low & Shepherd may be contacted at 317-462-9204.

All hospitals and doctors involved must be advised that the employee is covered by and intends to use the Workers’ Compensation Insurance.

Time off while on Workers’ Compensation qualifies as an allowance towards FMLA (Family Medical Leave Act) unpaid leave.

Failure to report an incident within three (3) days may delay the proper reporting procedure to the State and forfeit the right to a claim by the employee. Failure to report may also result in disciplinary action.

## **IX. PERSONAL INFORMATION**

### **Change of Personal Status**

Employees are expected to notify, in writing, their immediate supervisor and payroll as quickly as possible if there is a change of name, address, telephone number or family status. New forms must be completed with the payroll department in order for an employee’s paycheck to be processed correctly.

### **Confidential Information**

All information about students and/or employees should be treated with the strictest confidence. Disclosure of confidential information gained through employment is an act of prohibited conduct subject to formal disciplinary action. Any information concerning a student or employees’ family, financial condition, or personal situations is strictly confidential and must not be shared.

## **Dress and Appearance**

Cleanliness and appearance are expressions of an employee's personal pride and reflect G-CCSC's high standards of good grooming. Employees are expected to show good taste, avoiding extremes of dress and personal grooming which might be unsafe or that interfere with job performance.

## **Anti-Harassment Policy**

In order for all students and employees to enjoy an environment free from all forms of discrimination, G-CCSC prohibits the harassment of any student or employee by any person. It is contrary to our policy for any student or employee to be subjected to harassment in the workplace or in a school setting because of gender, religion, race, color, national origin or ancestry, age, disability, and/or any other legally protected characteristic. Harassment negatively affects morale, motivation, and job performance. It is inappropriate, offensive and is therefore prohibited.

## **Sexual Harassment**

G-CCSC strives to maintain a learning and working environment that is free of all inappropriate conduct of a sexual nature. It will be a violation of this policy for any employee of the school corporation to harass another employee or student, or for any student to harass an employee or another student, through conduct or communications of a sexual nature.

## **Definition of Sexual Harassment**

Sexual harassment consists of unwelcome sexual advances, requests for sexual favors, and other inappropriate verbal or physical conduct of a sexual nature when made by any employee to a student, when made by any employee to another employee, or when made by any student to another student when:

1. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment or education;
2. Submission to or rejection of such conduct by an individual is used as a basis for academic or employment decisions affecting that individual;
3. Such conduct has the purpose or effect of substantially interfering with an individual's academic or professional performance or creating an intimidating, hostile, or offensive employment or educational environment;
4. Denial of an employment or educational opportunity for an individual where denial occurs directly because another employee or a student submits unwelcome requests for sexual favors made by a supervisor or teacher which results favorably for that particular employee or student;
5. Such conduct is engaged in by volunteers and/or non-employees over which the school corporation has some degree of control of their behavior while on school property.

## **Examples of Sexual Harassment**

Sexual harassment, as defined above, may include but is not limited to the following:

1. Verbal harassment or abuse;
2. Repeated remarks to a person with sexual or demeaning implications;
3. Unwelcome touching;
4. Pressure for sexual activity;
5. Suggesting or demanding sexual involvement accompanied by implied or explicit threats concerning one's job, promotion, and/or salary increase.

## **Enforcement Procedures**

Any person who alleges sexual harassment by any employee or student in the school corporation may complain directly to his/her immediate supervisor, building principal, Human Resources Director or to the Superintendent of Schools. The reporting of alleged sexual harassment will not reflect upon the individual's status nor will it affect future employment, work assignments, or standing.

## **Reporting Sexual Harassment**

Reports of sexual harassment will be submitted in writing on forms supplied by G-CCSC. If a verbal complaint is made, the school official to whom the complaint was made should file a written report.

Reports must name the person(s) charged with sexual harassment and state all the facts of the situation known. All reports will be thoroughly investigated by G-CCSC officials. The report, the completed investigation, and the recommendation of the Superintendent will be presented to the Board of School Trustees. The board may take action as deemed necessary.

## **Sanctions for Misconduct**

A substantiated charge against an employee in the school corporation will subject the employee to disciplinary action, including but not limited to reassignment, suspension, or discharge, consistent with applicable statutory and contractual obligations.

4. Consideration for approval for all leaves of absence shall be in the best interests of the Corporation;
5. All leaves of absence are unpaid;
6. All benefits to be paid by the employer shall cease during the leave, but the employee may maintain certain benefits by personally paying the full expenses;
7. No time shall count toward the accumulation of any benefits during an unpaid leave of absence and shall be prorated for use during the following year in relation to the amount of leave time used;

If 30 days notice is not practicable, such as because of a lack of knowledge of approximately when leave will be required to begin, a change in circumstances, or a medical emergency, notice must be given as soon as possible.

## **Illness and Family Illness**

Notice shall be given as soon as possible to the employee's supervisor for such an occurrence. In the event an employee is off due to illness or injury for three (3) consecutive working days or more, he/she may be required to have a doctor's slip to verify that he/she is physically able to return to work. *A supervisor may request that the employee provide medical certification, in writing, of his/her absence regardless of the length of the absence.* This may be requested on a recurring basis during an extended illness or absence.

*See Benefits Addendum for details.*

## **Vacation**

Paid vacations may be allowed for employees based upon and granted for the calendar year on January 1 of each year. Vacation does not roll over or accumulate. A request for vacation should be made to the employee's supervisor two weeks prior to the intended use for approval.
