INTERMEDIATE SCHOOL CHARGE POLICY

As a safety net for those who have forgotten money due to some reason, the cafeteria staff generously provides a sandwich and milk. This is done to insure no one ever goes without something to eat. This is a generous, student-centered act on the part of the cafeteria manager and her staff.

We NEVER want anyone to go without a meal because they don't have money. However, we can not provide free food to everyone. Please take a sandwich and milk if you have no money, but it will be charged to your account. If there is a situation that prevents you from paying for food, please see:
