It is presented as a matter of information only and its contents should not be interpreted as a contract between G-C CSC and any of its employees.

A copy of this handbook can be found on our corporation's website and a hardcopy can be found in each school building's main office. One of your responsibilities is to be familiar with its contents. This handbook is only a summary of our personnel guidelines. Employees may qualify for some or all of the benefits allowed in this packet shown in the Benefits Addendum. Please review it with your supervisor or contact the Central Office if you have any questions.

Employees are expected to notify, in writing, their immediate supervisor and payroll as quickly as possible if there is a change of name, address, telephone number or family status. New forms must be completed with the payroll department in order for an employee's paycheck to be processed correctly.

Confidential Information

All information about students and/or employees should be treated with the strictest confidence. Disclosure of confidential information gained through employment is an act of prohibited conduct subject to formal disciplinary action. Any information concerning a student or employees' family, financial condition, or personal situations is strictly confidential and must not be shared.

Dress and Appearance

Cleanliness and appearance are expressions of an employee's personal pride and reflect G-C CSC's high standards of good grooming. Employees are expected to show good taste, avoiding extremes of dress and personal grooming which might be unsafe or that interfere with job performance.

Anti-Harassment Policy

In order for all students and employees to enjoy an environment free from all forms of discrimination, G-C CSC prohibits the harassment of any student or employee by any person. It is contrary to our policy for any student or employee to be subjected to harassment in the workplace or in a school setting because of gender, religion, race, color, national origin or ancestry, age, disability, and/or any other legally protected characteristic. Harassment negatively affects morale, motivation, and job performance. It is inappropriate, offensive and is therefore prohibited.

Sexual Harassment

G-C CSC strives to maintain a learning and working environment that is free of all inappropriate conduct of a sexual nature. It will be a violation of this policy for any employee of the school corporation to harass another employee or student, or for any student to harass an employee or another student, through conduct or communications of a sexual nature.

Definition of Sexual Harassment

Sexual harassment consists of unwelcome sexual advances, requests for sexual favors, and other inappropriate verbal or physical conduct of a sexual nature when made by any employee to a student, when made by any employee to another employee, or when made by any student to another student when:

2. Submission to or rejection of such conduct by an individual is used as a basis for academic or employment decisions affecting that individual;
3. Such conduct has the purpose or effect of substantially interfering with an individual's academic or professional performance or creating an intimidating, hostile, or offensive employment or educational environment;

5. Such conduct is engaged in by volunteers and/or non-employees over which the school corporation has some degree of control of their behavior while on school property.

Examples of Sexual Harassment

Sexual harassment, as defined above, may include but is not limited to the following:

1. Verbal harassment or abuse;
2. Repeated remarks to a person with sexual or demeaning implications;
3. Unwelcome touching;
4. Pressure for sexual activity;
5. Suggesting or demanding sexual involvement accompanied by implied or explicit threats concerning one's job, promotion, and/or salary increase.

The reporting of alleged sexual harassment will not reflect upon the individual's status nor will it affect future employment, work assignments, or standing.

Reporting Sexual Harassment

Reports of sexual harassment will be submitted in writing on forms supplied by G-C CSC. If a verbal complaint is made, the school official to whom the complaint was made should file a written report.

Reports must name the person(s) charged with sexual harassment and state all the facts of the situation known. All reports will be thoroughly investigated by G-C CSC officials. The report, the completed investigation, and the recommendation of the Superintendent will be presented to the Board of School Trustees. The board may take action as deemed necessary.

If 30 days notice is not practicable, such as because of a lack of knowledge of approximately when leave will be required to begin, a change in circumstances, or a medical emergency, notice must be given as soon as possible.

Illness and Family Illness

Notice shall be given as soon as possible to the employee's supervisor for such an occurrence. In the event an employee is off due to illness or injury for three (3) consecutive working days or more, he/she may be required to have a doctor's slip to verify that he/she is physically able to return to work. *A supervisor may request that the employee provide medical certification, in writing, of his/her absence regardless of the length of the absence.* This may be requested on a recurring basis during an extended illness or absence.

A request for vacation should be made to the employee's supervisor two weeks prior to the intended use for approval. Time Record Guidelines for Non-Exempt Staff

G-C CSC strives to maintain compliance with the Fair Labor Standards Act (FLSA). The FLSA is a strict federal law that protects employees from unfair pay practices and guarantees non-exempt / hourly paid employee's payment of minimum wage and overtime. The following guidelines have been established to insure compliance with FLSA.

1. Staff members must keep an accurate record of all hours worked using the time system provided. Actual hours, rather than expected hours worked each day must be reflected.
2. Staff members must review the accuracy of his/her time records before submitting them to his/her supervisor for processing. If a change needs to be made to a time record, the correction should be made before submitting the time record to payroll whenever possible. Upon signing and/or approving time, the staff member is certifying the records are complete and accurately reflect all hours worked.

3. Staff members are responsible for maintaining time records. Staff members should not allow another employee to sign in/out for them nor should they sign in/out for another staff member. Staff members should not tamper with any timekeeping equipment.
4. The exact time the staff member began and ended work must be reflected. All unpaid breaks must be reflected. Staff members are not expected to perform any work during unpaid breaks.
5. Staff members must obtain his/her supervisor's approval prior to working any hours outside his/her normal work schedule. This includes time incurred before or after a regular shift, during unpaid meal breaks, or after hours at your home or at another off-site location. If work is performed outside a staff member's regular shift, the time must accurately be reflected. Explanations of overtime hours worked must be provided to the supervisor and/or business office.
6. Time records should include time spent at mandatory, job-related training programs, lectures, or meetings on campus.
7. Time records must be submitted to the staff member's supervisor at the end of the pay period. Time records must then be compiled and submitted to Payroll by 10 a.m. on Monday following the end of the pay period. In the event a holiday falls on a Friday or at the end of a week, time records are due to the supervisor prior to leaving for the holiday.

Defined Seven (7) Day Work Week

The defined seven (7) day work week begins Saturday morning through end of the day Friday.

- At G-CCSC a "Paid" Holiday in the work week counts towards "overtime".

Time worked will be calculated at the employee's regular rate of pay. If an employee is called back to work, he/she will be paid for travel time. Overtime compensation is applicable only when total hours worked exceed 40 hours in a workweek and only for non-exempt personnel.

Substitutes for Classified Staff
