

INFORMATION NOTIFICATION

Greenfield-Central Schools is proud to announce its paperless, more economic grade reporting system this year. With our new **AlertNow** emergency notification system, we are now able to send out school information directly to you, including electronic report card notification. To ensure that you will receive timely information about your child's academic progress through the **AlertNow** system, it is important that your PowerSchool information accurately reflects your personal contact information.

- If you do not currently have a PowerSchool login please contact your child's school for your individual login codes. For grades 2-12, we are currently at midterm of the first quarter. To see your child's midterm progress, login to PowerSchool and click the "Grades and Attendance" icon on the top menu bar.
- If you do not have regular access to a computer, you may request a paper copy of the quarterly report card by completing a Paper Grade Report Request form from your child's school office. A copy of the form is on the school website, or you can call the school to have a form sent to you.
- If you have a child in kindergarten and first grade, a standards-based report card will be available on PowerSchool at the end of the first nine weeks grading period. Until that time, you will be receiving student work to monitor progress.

The first quarter grade report will be available on PowerSchool on **Friday, October 15th at noon**. We will send an **AlertNow** report card notification on that date as a reminder to review your student's report card. When you log in to PowerSchool on October 15th, you will see a link on the "Grades and Attendance" page to view and print a copy of the report card.

Please contact your child's school office if you have additional questions about our new grade reporting process.

This message has been sent via the school corporation's *AlertNow* system. If you want to change your settings or be added to the messaging system, please use the PowerSchool Parent Portal.
