Dear Parents,

Beginning on February 6, 2012, Greenfield-Central High School will participate in the Indiana Prevention Resource Center's 2012 Alcohol, Tobacco, and Other Drug Use Survey. All students will take the brief, anonymous survey in their Cougar Connection class. We feel the data provided from this survey will help us address the issues our students are facing. We hope that you will join us in supporting this survey and maybe this can spur another dinner conversation with your child about drug, alcohol and tobacco use. A copy of the survey is available on our website for you to look through. If you prefer to exclude your child from the survey, please contact Mrs. Leary at 462-9211, extension 34109, prior to February 6. Thank you for all you do to support your child in education!

Sincerely,

Dan Jack
Assistant Principal
