- **From our Guidance Office:** Class of 2015 who took Algebra and Biology in the 8th grade have until **May 1** to let us know if they do NOT want those credits and grades placed on their high school transcript? If they do not, they may get a form in the Guidance office.
- **Madrigal Going to State:** For the fourth year in a row, our Madrigal Choir is returning to the state finals! Best of luck students and Mrs. Evers at the ISSMA State Choral Championship at Pike HS on Saturday, May 5!!!
- On April 29, 2012 junior, **Jordan Dicken**, was elected Governor of the Ohio River Valley State in one of the largest high school student-run organizations in the country, Junior State of America. The purpose of the JSA is to help high school students acquire leadership skills and the knowledge necessary to be effective debaters and civic leaders. The Governor's position of each state, is the highest position that a student can attain within the National organization. The ORV State is one of ten states in the nation, and Jordan was elected by delegates from chapters located in Indiana, Ohio, Kentucky, and Tennessee. Three years ago, eight students, of which Jordan was one, started a local chapter at Greenfield-Central High School. Within the last three years, Jordan was elected as Vice-Mayor, Mayor, and now Governor. Her intelligence, work ethic, dependability, and honesty have contributed to her success within this organization. Congratulations, Jordan, on your accomplishments.
- **Women's Track Team wins Greensburg Invitational!!** The G-CHS Women's Track Team won the 7-team event held this past Saturday!!
- **Greenfield-Central High School to Help the Jessica Barnhart Family:** Greenfield-Central High School is starting a fund raising drive to help with medical and funeral expenses for Jessica Barnhart, the daughter of Rob and Linda Barnhart. She was a very popular student at Greenfield-Central High School and students/staff feel the need to help her family at this difficult time. Jessica was 15 years old when she passed away on March 6, 2012 and suffered from Melnick-Needles Syndrome. This is an extremely rare inherited disorder affecting the skeletal development of a growing child. She would have been 16 years old on March 15, 2012. Jessica never complained or asked for sympathy. Jessica was always willing to help in whatever she was asked to do. So to honor Jessica, please make your donation out to Greenfield-Central High School and mark the memo line "Jessica Barnhart Fund." You may mail or drop off your donation to Greenfield-Central High School, 810 N. Broadway Street, Greenfield, Indiana 46140. Greenfield-Central High School thanks you for your support.
