

2020 2021 Return to School

Greenfield-Central will welcome back all students on July 30th for full-time instruction per the published 2020-2021 school calendar.

ELEMENTARY (K-6)

- **On-site five days/week**
- **Full-time virtual programming option**

SECONDARY (7-12)

- **On-site five days/week**
- **Full-time virtual programming option; some courses will not be available virtually**

During registration the week of July 13th, families will log into their Powerschool account and select either onsite or virtual for each student in their household.

VIRTUAL PROGRAM OPTION

In accordance with guidance from the Indiana Department of Education on instructional time requirements (on-site or virtual), daily virtual instruction will include an average of:

GRADES K-6:

5 hours/day

GRADES 7-12:

6 hours/day

Students and families who choose virtual programming will commit to a full semester.

Health & Safety Protocols

These protocols were established in accordance with guidance from Hancock County Health Department, the Indiana State Department of Health, the Indiana Department of Education, and Centers for Disease Control and Prevention.

SCREENING EXPECTATIONS

STAFF: Required daily self-screening for COVID-19 like symptoms.

STUDENTS: Recommended self-screening for COVID-19 like symptoms.

More information regarding Health and Safety can be found on our school website at www.gcsc.k12.in.us.

COVID POSITIVE RESPONSE

- **Greenfield Central Community School Corporation will consult with the department of health**

- Rooms in which a positive case occurred will be closed immediately for extensive cleaning

- A school may be closed if close contacts cannot be identified

Building & Classroom Preventative Measures

Masks are an important step in protecting one another and keeping our schools open. Students and staff will be expected to have a mask in their possession at all times. When social distancing is not feasible, masks will be required. Examples include on buses, arrival, dismissal and passing periods. Students may bring a mask or GC will provide one for each student.

Masks

All GC schools will be professionally cleaned every night. Buses will be cleaned between morning and afternoon routes. Hand sanitizer will be available as students enter and exit the bus.

CLEANING PROTOCOL

Food Service

Meals will be served in the cafeteria and consumed in various locations. In order to maintain health and safety protocols, assigned seating will be in place.

PLAYGROUNDS

Movement through play is an important part of the physical and social-emotional well being of our students. Playgrounds will be open to students on a rotational basis. Equipment will be cleaned daily.

Handwashing

Part of our return to school procedures for students will include expectations for increased hand washing. In addition, hand sanitizer will be available to students throughout each school.

Water Bottles

School drinking fountains will be closed. Students are encouraged to bring water bottles to school with them each day. Touchless water bottle filling stations will be provided in the main areas of each building.

School Nurses & Clinics

Adjustments to our school clinics include separation of students in need of routine medication and medical procedures from students who present with symptoms consistent with COVID-19.

FRONT OFFICES, VISITORS & CONFERENCES

Visitors to our buildings will be restricted. Parents entering the front office of a school will be asked to wear a mask. Plastic partitions will be in place as a further precaution. Whenever feasible, conferences will be conducted virtually. On-site conferences will occur under the approval of school administrators.

Due to the health and safety needs related to COVID-19, this plan will remain a working, flexible document.

Additional information is available at our website - www.gcsc.k12.in.us.
