A Catastrophic Illness and Injury Leave Bank will be established to provide a bridge to the long-term disability plan for those who have an extended disability, and a payroll protection mechanism for pregnant teachers and those with a shorter-term catastrophic personal illness or injury where the teacher

has exhausted all paid leave benefits.

## 2. Guidelines

- a. The voluntary Catastrophic Illness and Injury Leave Bank (Bank) permits a teacher (Member) to petition for leave days from the Bank if the teacher has donated one sick leave day to the bank, the teacher is absent from assigned duties due to the employee's own catastrophic personal illness, unforeseen surgery or debilitating injury, and the teacher has utilized all paid leave. Benefits from the Bank can only be used for the certificated employee's personal catastrophic illness, unforeseen surgery or debilitating injury, including a medical emergency caused by pregnancy, which is anticipated to extend beyond five (5) work days.
- b. A current member will be required to donate a day only if the bank has a balance of fewer than 180 days as of August 1 immediately preceding the start of the school year. This may be donated from the member's accumulated days.
- c. A veteran teacher who is not a current member of the bank may become a member by contributing one (1) sick leave day to the bank between August 1st and September 15 of any school year.
- d. A teacher who is newly hired in the school corporation shall have fifteen (15) days from the date of initial duty assignment, or until September 15th of the school year in which the teacher is hired, whichever is later, to choose whether to participate in the bank by contributing one (1) sick leave day.
- e. Members who wish to terminate membership must notify the Office of the Superintendent prior to September 15 of the school year in which the member wishes to terminate membership. Teachers who terminate Bank membership are required to pay back any borrowed Bank days at the rate of three (3) days per year until all days are repaid. Should a Member sever employment and not have fully repaid Bank days, the Member shall forfeit any sick leave days necessary to repay the Bank.
- f. If the balance of days in the Bank reaches 0 during the school year, each member of the sick bank shall be assessed 1 additional day to maintain membership. This may be donated from the member's accumulated days.
- g. A Bank member who does not have any remaining sick days to contribute to maintain membership, and such teacher wants to continue membership, will not be dropped from membership, but will be required to contribute the additional day at the beginning of the next school year when the member receives a new allocation of sick days.
- h. Where appropriate, FMLA leave will be charged concurrently with use of Bank days.
- i. Bank days shall only be used for the absence of the Member and shall accumulate only for the overall Bank and not as part of an individual member's sick leave allotment.
- j. Members may access the Bank only one time during any one school year. Once a Member becomes eligible for benefits under the long-term disability (LTD) plan, all Bank benefits and use of awarded Bank days end.

## 3. Bank Committee

- a. A three (3) member Catastrophic Illness and Injury Leave Bank committee shall be established to receive written requests and allot days from the bank according to the provisions of this Contract. The committee shall be composed of two (2) persons appointed by the Association and one (1) person appointed by the Superintendent.
- b. Days allotted by the committee to an individual teacher shall be available for use beginning with the second (2<sup>nd</sup>) consecutive day of absence after exhaustion of the employee's paid leave benefits.
- c. The maximum number of days granted per year for any single request is 30. Members may petition the Bank Committee for an additional thirty (30) days in the event of unusual

circumstances, for a maximum of sixty (60) day total. All days must be paid back prior to returning to the Bank for additional requests.

d. Bank days shall cease on the earliest of the following days:

- i. Day after the last day of employment for the school year
- ii. Day after the last day of allotted number of days granted by the committee, OR
- iii. The first day of return to employment subsequent to the granting of days by the committee
- iv. The teacher begins receiving benefits under the long-term disability plan

#### 4. Members Agreement and Indemnifications

a. In consideration of the benefits of participating in the Bank, each applicant for membership in the Bank and for leave days from the Bank shall, as a condition of such application, agree in writing substantially as follows:

“I specifically acknowledge and agree that the granting of leave days from the Catastrophic Leave and Illness Bank shall be at the sole discretion of the Bank Committee or, in the event of an appeal, the Appeals Committee, and that all decisions of the Catastrophic Leave and Illness committee or the Appeals Committee will be final and binding. I further agree to abide by such decisions and to indemnify and hold harmless the Greenfield-Central Classroom Teachers’ Association, Greenfield-Central Community School Corporation, the Catastrophic Illness and Injury Bank, the Appeals Committee, and all of their representatives and agents for any loss, costs, expenses, and/or damages they may sustain as a result of any claim or legal proceedings I may bring against any of them with respect to a decision made by any of them concerning the application.”

b. When a Member donates sick leave days to the Bank, the Member agrees to the published rules for administration of the Bank and agrees to abide by the published rules.

c. The Greenfield-Central Classroom Teachers’ Association agrees to indemnify and hold harmless Greenfield-Central Community School Corporation for any and all claims, losses, costs, expenses, damages, or legal proceedings brought as a result of administration of the Bank.

(The words "regular contract with a base number of days less than 184 days" shall be interpreted to mean someone who is choosing to work less than 184 days for reasons other than an approved leave or a year shortened by a delayed hire date who is not working on a substitute basis and whose appointment has been officially approved by the school employer.) F = Funds Available to all Participants  
P = Total Number of Participants

### 2025 MODEL COMPENSATION PLAN

#### Implement a Teacher Retention Catch-Up by Increasing Current Teacher Salary Up to the Starting Salary of Newly Hired Teachers with the Same Qualifications Using Salary Schedule

##### A. Salary Range

\$50,000 to \$85,776 not including current year increases or TRF contributions.

##### B. Base Salary Increases

###### 1. General Eligibility

To be eligible for a salary increase, a teacher must not have received a rating of ineffective or improvement necessary in the prior school year. A teacher who received a rating of ineffective or improvement necessary remains at their prior year salary.

###### 2. Factors and Definitions

- Evaluation Rating – The teacher received a highly effective or effective evaluation rating for the prior year.
- Academic Needs – The need to retain teachers with one or more years' experience by adjusting the salary of current teacher up to the amount identified on the New Hire Salary Schedule (Appendix A) for a new teacher with equivalent experience. The catch up does not include catching up to equivalent education.
- Instructional Leadership- The teacher possesses a literacy endorsement, as identified on the Indiana teaching license.

###### 3. Distribution – amounts to be added to a teacher's base salary (applied in the following order)

- Evaluation Rating =\$1,000
- Academic Needs – **The salary increase for academic needs is a teacher retention catch-up.**  
If, after receiving the \$1,000 increase for evaluation rating, a current teacher's salary is less than the amount a new teacher with comparable experience would receive based on the New Teacher Salary Schedule, an additional increase in the amount of the difference will be provided. Education will be recognized as the degree held at date of hire.
- Instructional Leadership - A teacher who qualifies for the Literacy Endorsement as detailed in III.J., will receive \$200 in addition to their base salary calculated after the application of Evaluation Rating and Academic Needs.

###### 4. Experience and education account for 0% of the total possible increase.

##### C. New Hire Salary

Newly hired teachers will be placed onto the New Hire Salary Schedule (included as Appendix A) in the row that matches the years of documented teaching experience (up to 43) and in the column (Bachelor's or Master's) that matches the level of educational attainment. The Superintendent has the discretion to compensate the new teacher up to an additional \$5,000 beyond the target, based on the needs of the corporation.

Any information beyond wages is for information purposes only.

Teachers who sign a regular contract with a base number of days less than 184 days will receive a prorated amount of the raise outlined in the Compensation Model based upon the number of days contracted. (The words "regular contract with a base number of days less than 184 days" shall be interpreted to mean someone who is choosing to work less than 184 days for reasons other than an approved leave or a year shortened by a delayed hire date who is not working on a substitute basis and whose appointment has been officially approved by the school employer.)

Calculation of Total Possible Base Salary Increase Available to Teachers Under the Compensation Plan = \$342,128

o Increase attributable to evaluation = \$260,000

• Increase attributable to academic needs = \$82,128, which is 24% of the total possible increase.

• A differentiated salary increase for the literacy endorsement is not included in the total possible increase. Please see Article III.J.
